

Dear Chelsea Prep Families,

Happy Summer! I am looking forward to embarking on a new journey with you and your child.

There are some required materials for Science including a science notebook and pencils (Please feel free to recycle a science notebook from a previous year and/or purchase recycled pencils).

In order to maintain a clean and green environment we are happy to accept donations of green cleaners, hand soap, paper towels and tissues. Please be advised that *hand sanitizer, Clorox/Lysol wipes and/or baby wipes are not necessary.*

Additionally, I recently updated my ever evolving Amazon Wishlist, if you are able to further support our classroom, please visit the link below:

Amazon Wishlist:

Please feel free to email me with any questions at [chelseaprepscientists@gmail.com](mailto:chelseaprepscientists@gmail.com)

Always,

Erin Lubick
