My Goal For this School Year

This year I would like for my Spanish classes to consist of interactive lessons and activities. Therefore, my lessons will include a lot of music, games, dancing, acting, and plenty more! For subject units we will be focusing on level 1 & 2 reading, learning about different Spanish celebrations around the world, and how to interacting with others through basic Spanish conversations. I would also like to go on field trips that connects to our Spanish curriculums and/or have at least one school fiesta/ concierto!

Supply list for *Spanish* class for grades 1-5

 **1 Subject Notebook:** To organize all class notes and lessons. These notes can help my students prepare for any class quiz.

 **1 Folder :** To keep any class worksheet, homework, or quizzes. Any important information for Spanish class may also be sent out in this folder.

 **1 book baggie (ONLY for 4th & 5th graders):** I wish to continue implementing reading this year by providing some classes with beginner level books (in Spanish) to take home each week. I would also like to expose students and parents to Spanish e-books by using an additional resource called Epic! (this is optional for it requires a monthly payment after the first month) please feel free to reach out to me for further information if interested.
