

5th Grade Supply List 2021-22

Below you will find the supply list for the upcoming 2021-2022 school year, most of which can be obtained at Staples.com and Amazon.com. Please note that there will not be any shared materials.

Each one of the items below will be for your own child's use throughout the school year.

****Kindly have all folders and notebooks labeled with a subject area and your child's name, as well as, the rest of your child's materials labelled with just their name, PRIOR to the first day of school.**
