NYC Student Account

The DOE has created student accounts for every single New York City public school student, including 3K and Pre-K students. This is the account your child will use to access their Google Classroom.

NYCSA

To set up your student account go to <https://www.schools.nyc.gov/learning/learn-at-home/technical-tools-and-support/doe-student-accounts>

The account gives your student access to [TeachHub](#), which is how students access:

- iLearnNYC, the Summer School 2020 online learning platform
- Student report cards (available in the Student Documents icon)
- Multiple educational applications
- G Suite, Microsoft O365, and Zoom (using secure central accounts)

To set up the account you will need your child's OSIS number and date of birth.

Your child will use their NYCSA to login to their Google classroom.
