# Choice Storyboard

**Directions:** Choose a character, setting, problem, and one of the transition frames to help you create a story with a beginning, middle, and end! Use the storyboard for inspiration, but if you have a different idea, roll with it!

| Choose a Character                          | Choose a Setting           | Choose a Problem                             | Choose a Transition Frame                                    |
|---|----------------------------|--|--|
| A curious seven year old girl named Charlie | At the park on a rainy day | Someone's delicious cookie goes missing      | Once upon a time,<br>One day,<br>Before long,<br>In the end, |
| A dog named Brooklyn                        | In the ocean               | The character's friend doesn't want to share | First,<br>Next,<br>Then,<br>Finally,                         |
| A little boy named Darius                   | In a sweltering rainforest | The character is very, very thirsty          | One day,<br>In the meantime,<br>The next day,<br>Finally,    |
| A whale named Big Blue                      | In a classroom             | The character is afraid to go down the slide | On Monday,<br>Next,<br>Then,<br>In the end,                  |
